Chairman's Welcome

Welcome to the 2nd Edition of the International Conference on **Sustainable Energy & Electrochemistry (SEEnergy-2026)**, taking place from April 6th to 8th, 2026, in the dynamic city of Benguerir, Morocco.

SEEnergy-2026 Conference is dedicated to addressing critical issues and innovations in the fields of sustainable energy and electrochemistry. This conference will serve as a forum for researchers, industry professionals, and academics to share their latest findings and discuss advancements that are shaping the future of energy and electrochemical technologies.

On behalf of the organizing committee, I warmly invite you to participate in **SEEnergy-2026**. Whether you are a researcher, industry professional, sponsor, or exhibitor, your presence and support are invaluable to the success of this conference. Join us in Benguerir for an inspiring and transformative event that will shape the future of sustainable energy and electrochemistry.

Pr. Fouad Ghamouss

Chairman of the Conference

Full professor in Electrochemistry,
Hydrogen Production and
Utilization

MSN Department of UM6P

Fouad.ghamouss@um6p.ma

About the Chairman

Pr. Fouad, is a distinguished expert in the field of electrochemistry, with a focus on hydrogen production and utilization. As the Director of the Hydrogen Accelerated Research Center at the MSN Department of UM6P, Professor Ghamouss has made significant contributions to advancing sustainable energy solutions. His leadership and vision for SEEnergy-2026 aim to foster collaboration and innovation within the scientific community.

The **I**nternational **C**onference on **S**ustainable **E**nergy & **E**lectrochemistry aims to advance global innovation in sustainable energy through cutting-edge research in electrocatalysis, electrochemical conversion, and energy storage.

Scientific Committee

Fouad GHAMOISS
UNIVERSITY MOHAMMED VI
POLYTECHNIC, MOROCCO

Hyacinthe RANDRIA
Université Paris Cité, CNRS,
ITODYS PRINTUP Institute, France

Nadia Yousfi STEINER
UNIVERSITY OF FRANCHE-
COMTÉ, FRANCE

Mohamed SIAJ
SHERBROOKE UNIVERSITY,
CANADA

Abdelkader OUTZOURHIT
CADI AYYAD UNIVERSITY,
MARRAKESH (UCAM), MOROCCO

Said LAASSIRI
UNIVERSITY MOHAMMED VI
POLYTECHNIC, MOROCCO

Johan JACQUEMIN
UNIVERSITY MOHAMMED VI
POLYTECHNIC, MOROCCO

Mama EL RHAZI
UNIVERSITY HASSAN II OF
CASABLANCA, MOROCCO

Organizing COMMITTEE

Mustapha Matrouf
Research Engineer, UM6P

Fatima Zahra SEMLALI
Assistant Professor, UM6P

Abdelhadi EL JAOUHARI
Assistant Professor, UM6P

Fatima EL BACHRAOUI
Assistant Professor, UM6P

Abderrahman MELLALOU
Scientist, UM6P

Assia MEDIANA
Administrative Management,
UM6P

Maha HITMI
Project Management Office,
UM6P

Why Sponsor Us

Engage with the Scientific Community

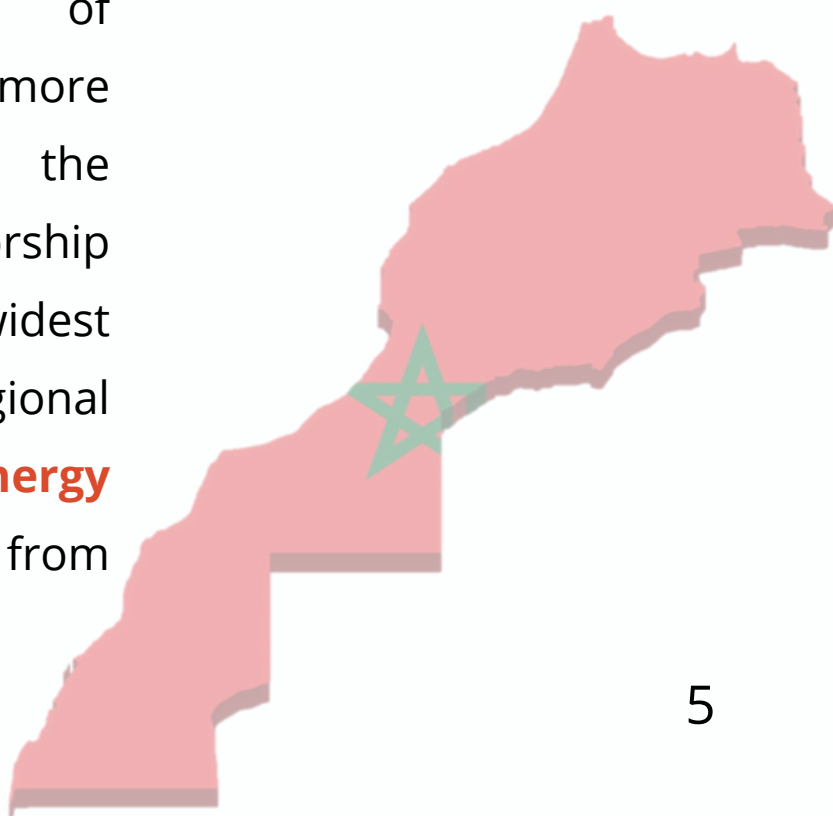

SEEnergy conference sponsors are exposed to a highly engaged international audience of Academics, Scientists and industrials in the Energy Transition Research Community

Sponsoring a **SEEnergy** conference gives you:

- Access to an influential scientific community
- Internal and external networking opportunities
- Unique marketing and brand exposure
- Opportunity to make valuable contacts and increase sales

Help encourage Morocco's Scientific Community

Sponsorship revenue significantly reduces the overall cost of participation, enabling more attendees to participate in the conference. Your sponsorship support helps to bring the widest possible range of regional participants to the **SEEnergy** conference, especially those from developing economies.

KEYS DATA ON THE LAST EDITION

- o **December 2nd to 4th, 2024**
- o **Benguerir-Marrakech, Morocco.**

10 countries, 26 speakers, 5 sponsors and Over 200 attendees including Researchers, students, industry professionals, and policy makers

Our sponsors are thus directly exposed to +200 participants who are very active and influential in the sector, not to mention the online visibility (more than 30,000 visitors on the SEEnergy website).

In 2024, in addition to the 227 registered participants, the organisers created a waiting list of 90 people to meet the high demand. The success of the SEEnergy is based on the quality of the participants, all professionals and leaders in the sector.

Countries represented in the SEEnergy Conference 2024

VOICES FROM THE FIELD

Thoughts and feedback from world-class researchers and energy leaders

Heron Vrubel

“

It's my first time in Morocco, taking part in the inaugural SEEnergy Conference. It's a very interesting event with many fascinating scientific aspects, and also a valuable opportunity to learn about Morocco's energy policy.

”

“

The three-day program was not only scientifically rich but also flawlessly organized. Such platforms remind us that progress is built on collaboration and shared knowledge.

Shahid Mahmoud

”

Jochen BARD

“

I was honored to be invited to the SEEnergy Conference at UM6P. The topics addressed are essential pillars of the energy transition. I was genuinely impressed by the quality of the presentations and the depth of discussions. SEEnergy clearly demonstrates a strong commitment to scientific progress in the energy field.

”

“

During this conference, I had the opportunity to connect with colleagues from across the energy and electrochemistry fields. UM6P impressed me with its modern spirit and potential, it's a young university with a promising future.

Elena Arroyo

”

Claudio Mele

“

This conference brought forward many innovative aspects in the energy field, essential topics in this era of transition. I deeply thank the organizers for this well-structured event.

”

Sponsoring Packages

Category	Platinum	Gold	Silver	Bronze
Sponsorship Amount	20 000 \$	10 000 \$	3 000 \$	1 500 \$
24" x 36" banner placed at the conference entrance section	X	X
